Actually - plans changed so if your offer still stands to mail the documents, that would be great. Thanks

Craig
Please confirm your availability with Michael Kawasaki. I've cc'd Michael here so you can contact him directly. If Friday works for you you'll go to the visitors desk at cal EPA headquarters and ask for Michael who will then bring you the documents.

Thanks
Debbie

Hi Craig,
We have the redacted financial documents ready for you. What do you want the next step to be? The documents are located at DTSC HQ in Sacramento but I think we can send them to you.
Thanks,
Debbie

Hello Debra – thanks for getting back to me. I am still interested in reviewing the DTSC's ATP files for this site. So please go ahead with your redaction. Hoping to get a copy of the file if possible.

Craig,

I'm sorry it's taken me a while to get back to you on this. Are you still interested in the documents from DTSC's Ability to Pay investigation from 2011/2012? The documents we have are in Sacramento at Headquarters. Those documents might be too old for your purposes, I wasn't sure if you wanted them. We follow EPA's guidance and ask for the last 3 years of financial documents, so what we have would be from 2009, 2010 and 2011. Also, if you want them, the Audits Unit has to redact some of those documents because they have their handwritten notes on them and we wouldn't release the notes. But, we can certainly do that for you and get them ready for your review. Again, sorry for the time it's taken to touch base with you. I can talk the rest of this afternoon or tomorrow afternoon if you want to.

Thanks,
Debbie

Hi Craig,

I also just left you a voicemail regarding this matter. As I explained, I'm an attorney with DTSC and I understand that EPA is interested in reviewing documents submitted to DTSC by Colleen Frojen, George & Nancy Frojen and the Frojen Trust relating to a 2012 Ability to Pay claim.

I'm going to be out of the office Monday-Wednesday on business but will be checking emails. I'm hoping to have a chance to talk with you about your request. Please let me know if there's a time/day that works best for you to talk.

Thanks,
